

Pastor-led Bible Study

Join us and invite others!

Wednesdays at 9am

The first family in Genesis was a mess by anyone's standards, but even so God chose them for a purpose - just as God chooses every one of us and our families today.

Using the book *Broken and Blessed*, written by popular speaker and teacher *Jessica LaGrone*, the Wednesday morning Bible study group will be examining the first families in the book of Genesis. Broken in so many ways, God was able to use these families, from Adam and Eve to Joseph and his brothers, despite their imperfections. These were regular families with black sheep and stories that made the neighbors talk. And yet these were the families that God chose. That God Loved. That God used to impact the world in a big way.

Please join us on Wednesday mornings (**beginning January 10**) at 9am to discover how God used these broken families for great things and how God might use us and our families despite our imperfections.
